To Whom It May Concern

AmiProbashi is a comprehensive digital platform with an interactive app to guide and facilitate Bangladeshi citizens wishing to pursue a job abroad. One of the flagship brands of Bangla Trac Group, AmiProbashi takes the aspiring migrants through the journey of completing mandatory applications and BMET registration, searching for authenticated jobs, connecting with authentic agencies, and all the way through to airport assistance features, destination reporting, and value-added services. It is packed with authentic information to make the process of working abroad easy, clear, and simple. The app is available to download on play store.
